

La Fondation Tony Colannino
The Tony Colannino Foundation

May 3rd, 2010

To the class of '74

On behalf of the TCF and its Board of Directors, thank you for having chosen our foundation to be the recipient of such a generous gift.

I know that Mr. C held a special place in many hearts and proof that his memory is kept alive is found in these exceptional acts of kindness.

Our foundation is completely non-profit. It is very important to us that everyone is aware that all funds collected (to date almost \$50 000!) are sent to the Montreal Neurological Institute where they are directed to Dr. Del Maestro's research laboratory to be used to research into brain tumors.

Our efforts will not bring Tony back to us, but perhaps in his memory lies the hope that through our efforts others will be helped.

Your generosity is truly appreciated. On behalf of the Board of Directors, but especially from me, a heartfelt thank you to the organizing committee and to all who participated.

Sincerely,
