## 50th Year Reunion

### Class of '74

Subject: JFK class of 1974 in Montreal, 50-year reunion, Nov. 2, 2024, held at Le Classique. The word has gone out ... the JFK class of '74 is holding a Gala Celebration for its Golden Anniversary. Along this celebrative note, the school is also turning 60 this year! To help the classmates celebrate this momentous event, we invite family members, friends, JFK faculty, and all alumni, in particular the class of '75. So together for one night & one night only, let's leave all our concerns behind, and **Let's party like it's 1974**. Rally and encourage the undecided classmates, & reach out to your friends from the class of '75 & other alumni to come and toast with their old school chums, & at times friendly rivals. On behalf of everyone, the work has been done, but to make this event a super success, your participation is required. The first 100 guests to purchase their tickets will receive a surprise gift, courtesy of our classmate and inventor Frank Carestia. In addition, the class of '74, has always proven to have a generous heart, and once again we reach out and ask sponsors to step up & help supply door prices or monetary contributions. For sponsorships, please contact Ermelinda lasenza (*coordinates below* ).
