### Where Do The Children Play?

Well I think it's fine building jumbo planes,  
Or taking a ride on a cosmic train,  
Switch on summer from a slot machine,  
Yes get what you want to.  
If you want, cause you can get anything  
I know we've come a long way, we're changing day to day,  
But tell me, where do the children play?

Well you roll on roads over fresh green grass,  
For your lorry loads pumping petrol gas,  
And you make them long and you make them tough,  
But they just go on and on,  
And it seems that you can't get off.  
Oh I know we've come a long way, we're changing day to day,  
But tell me, where do the children play?

Well you've cracked the sky, scrapers fill the air  
But will you keep on building higher  
Until there's no more room up there.  
Will you make us laugh, will you make us cry,  
Will you tell us when to live, will you tell us when to die  
I know we've come a long way, we're changing day to day.  
But tell me where do the children play?

# DEDICATION

TO MR. GEORGE PAJUK: Who through his principalship has brought forth a school that really CARES  
(At J.F.K. WE CARE),

Who has been so understanding and profoundly devoted to the students' welfare by granting them opportunities to go on field trips and other educational experiences outside the classrooms,

Who has tactfully convinced some of the parents to be actively involved in the school through participation in the Teachers-Parents' Committee as well as attendance in school parties, shows and other classroom activities,

Who has won the respect and admiration of his teachers not only because of his strong dedication to his job but also because of his real sense of justice to everyone,

Who has to leave J. F. Kennedy High School (we will miss you, Sir) to become the Regional Director, a promotion he surely deserves!

Best Wishes, Congratulations and

to you, Sir

this 1974 KENNEDIAN

is gratefully and affectionately dedicated.

# FACULTY

Dear Students,

The future is already here in prophecy. Today, goes the well-known saying, is the first day of the rest of our lives. Since the future is not a construction of mathematical time alone, but is influenced by a mixture of human choices and complex causes and consequences, it comes to us with frayed edges, untidy, only partially predictable and inevitably full of surprises.

We hope that we have helped in shaping your future by educating you:

- to want to continue to learn - to know that, other than some excess poundage, learning is the only way we grow after 17 or so,
- to understand that different individuals learn in different ways and that it is not wrong to different - it is only wrong to be indifferent,
- to know yourself - to appreciate your uniqueness and the kind of contributions that can make to yourself and to others, and to have a sense of worth - to be comfortable enough in your own skins to be kind to other people.

*George Rajuh*

FLOOR HOCKEY CHAMPIONS

What is there to be said about floor hockey  
at J.F.K. ? Everything has been said, every-  
thing has been written - I'm just filling up  
space!

We were looking for a picture of Mr. Mon-  
tanaro and Mr. Jasczyk (hope it's the right  
spelling) in action at floor hockey games but  
couldn't find any. Sorry for we know you've  
both been very much involved in floor hockey  
at J.F.K. this year.

I'm still filling up space . . .

## GIRLS' BASKETBALL

STANDING, L. to R.: . . . , Elizabeth Huk, . . . , Terry Dancose, . . . , . . . Ariano, Mirella Castrichini. KNEELING, L. to R.: Actually the names are printed in invisible ink! (sorry)

Miss Vierra this year has coached the Girls' Basketball Team through a quite successful season. Did they lose most games, win most games? Who cares! It's not if you win or lose - it's how you play the game. (sounds familiar.)

At the end they didn't quite make it but during the season the Kennedian team was feared. Thanks girls!

## BOYS' BASKETBALL

This year as the year before Kennedy only had a Junior Boys' Basketball team. Basketball has always been popular with the lower grades; so naturally we've got a Junior team. The efforts made, by the players and the excellent moderator, Mr. Rosa, gave us a team of high caliber and worthy of praise.

Too bad that in the end they--didn't quite make it.

# TRACK AND FIELD

KNEELING, L. to R.: . . . , Dawn Johnson. 2nd ROW, BOTTOM: Chris Pereira, Connie Lovasco, Elizabeth Huk, . . . You should wear name tags!

STANDING, KNEELING, SITTING, Left to Right: Romeo Ciovitti, Frank Nadayi, Tony Baldantoni, Cesare Pascuzzo, Danny Kuka, John Vitagliano, Domenic Diaco, Vince Dilullo, G. Contrino, T. Pieraccione, R. Maytan, R. Balfour, Frank, T. Distavolo, D. Porco, V. Tedeschi, A. Distavolo, M. Cordon, S. Pallota.

EXTREME LEFT: Gaetano Contrino's profile running at sunset. LEFT: Tony, Cesar, Tony and Frank presenting us the track team's mascot.

## GYM TEAM

STANDING, Left to Right: . . . , . . . , Trudy Fournier, . . . KNEELING: Olga Huk, Gloria Di Muro, Cathy Rush, Barbara Mainville. ABSENT: Donna Guinell, Mary Stelluti, Patty Clauser.  
Sorry we know so few of you by name!

RIGHT: The Gym Team has been particularly active this year. Here they are at the Advent Litergy.

ABOVE: The Gym Team exhibiting on the music of "Sad Lisa" at the Gym Exhibition along with the Modern Dance club.

## VOLLEYBALL

FIRST ROW, Left to Right: Mr. Gabriel, John Burnatowski, Dany Kuka, Mak Chun Wah, Frank Nadanyi. SECOND ROW: Tony Laurelli, Terry Morielli, Sam Martino, Vince Tedeschi.

The Volleyball Team this year coached by Mr. Gabriel didn't quite make it. They tried hard, but you can't always win. (They didn't always lose either!) It is a wonderful sport where the team in itself is important and also will undoubtedly become more popular at Kennedy.

LEFT: "A (good) picture is worth a thousand words." ABOVE: "So you've got to throw the ball OVER the net?"

## SOCCER

TOP ROW, Left to Right: Mike Cordon, Frank Di-Ielsi, Joe Giagnotti, Mike Vigorita, Danny Gorski, Jerry Morielli, Murray Rettino. BOTTOM ROW: Joe Diorio, Angelo Di Stavorio, Manager; Cesar Pascuzzo, Frank Nadanyi, Vince Tedeschi. MISS-ING: Moderator and Coach, Mr. Bambace.

RIGHT: "While the players sleep: The goaler dances!" (I think I went wrong somewhere.)

## BOWLING

LEFT: Strikes were a usual sight with our Bowling Team. Excellent players and a helpful moderator led the team to the finals. Even though they lost in the end; they gave it all they had!

In these pictures we can see some of those students who gave it "all they had!" (Time, energy, etc.) One thing about J. F. K. 's Bowling Team, they aren't in the gutter!

## POP FESTIVAL

The pop festival was an extra event this year at J.F.K. The variety of music and the appearance of "Elvis Presley" gave the show an extra touch of exoticism.

## KARATE

Self-defence is what the karate club is all about. This is a great activity and club for everyone interested in the Japanese cult of self-defence.

## TENNIS

STANDING: Dino Manzo, Ercole Miozza, Dino Grande, Mario, Mr. Paruthical, Andrea Gugliandolo, Nick Pallotta, Mr. D'Addese. KNEELING: Giovanni Forte, Luigi Nardella, Ralph Tozzi, Pat Crecca, Ignazio Bozo, . . .

Nick Pallota: "It's coming!" (look carefully)

## SUGARING-OFF PARTY

Above are a few of the people who enjoyed themselves at the Sugaring-Off Party.  
The cold weather was quickly forgotten as the students came to realize that  
teachers were vulnerable, attacked with snowballs! ABOVE RIGHT: Al Greco:

## ARCHERY

## JOG-A-THON

You certainly must remember the JOG-A-THON! All the sponsors, you were supposed to get; the hundreds of dollars given out as prizes; the bicycles etc.

The Monster Jog-a-Thon involved participants from every single member of the staff and administration.

It certainly was one of the greatest achievements dealing with staff and student participation at JFK.

ABOVE: The cheerleaders arousing the school spirit.

ABOVE: The girls are exhausted after thirty minutes of jogging. In the foreground; Carmela Esquerro and Gayle Gariépy. RIGHT: Mr. Pajuk "doing his thing!"

## SPORTS BANQUET

One of the most looked forward to events at J.F.K. is definitely the Sports Banquet. Many students participated in this feast. Of all the celebrities invited, only one showed up - Gino Brito. He had an outstanding welcome. Most of the people received crests and trophies for their contribution. Many thanks to the organizer, Mr. Jacob. We're sure everyone was pleased with the outcome.

LEFT: Mr. Gino Brito. ABOVE: "Do you see what I see?"

EXTREME LEFT: Alex Sparagna: "Check the sunglasses!" LEFT: Marie Moscato and Mrs. Chesterman.

# ACTIVITIES

## PASTORAL PAGES

This year's Pastoral Activities included the following events:

VISITATIONS were made to all Religion classes (63 sections) by Sr. Juanita and Fr. Bob to explain the Sacraments of Initiation.

FOR ADVENT: 3 large ceremonies were celebrated in the gymnasium for Advent and better prepare for the birth of Jesus. This included beautiful background displays on this year's Advent theme "The Third World" prepared by our Art Department and students. Our Gym Dept. provided many beautiful interpretive, religious dances. Banners were made by our Home Economics Dept. and all of this was harmonized by our Music Dept. and J.F.K. Chorale.

Also, EACH RELIGION CLASS was afforded the opportunity to experience Advent through a slide and music presentation followed by sacraments of Penance and the Eucharist. Some 50 liturgies were celebrated in the Chapel.

BISHOP CROWLEY DAY: On November 15, we booked the visit of Bishop Leonard Crowley, our English Auxiliary Bishop of the Archdiocese of Montreal. He celebrated the early morning liturgy, visited classes; spent the lunch hours with the students and finally shared some ideas with some 40 teachers. His visit was welcomed, and already we look forward to next year's.

FOR LENT: Some 70 families were adopted by our school as a special Lenten project involving our total community. The month included projects on Concern Week, Clean-up Week, On-Time Week and Share Week. The experiences derived from this project will long be remembered by all.

SOME 61 LITURGIES were celebrated in the Chapel for all 63 religion classes. This included a slide, script and music presentation on the Modern approach to the Stations of the Cross followed by the Eucharist.

In October '73, we initiated a SATURDAY EVENING MASS for the students and their families and friends. With various themes and involved liturgies, our Chapel seen some 50-80 people in attendance each Saturday.

This year, only one "STARVE-IN" was held. Some 40 students and staff members participated in what we think was a beautiful experience.

THREE "WEEK-END RETREATS" were held for Secondary 4 and 5 students. Some 20-30 people attended each one. We look forward to more next year.

Other involvements experienced were: Personal guidance to students, visiting the sick members of our school community, and participating in Variety Shows, Staff Council, Student Council, and Teacher's Social Committee.

# STUDENT COUNCIL AND COMMITTEES

Dear Students:

One more year of school has ended, and we have ended our year as "president" and "vice-president". The year was one of great responsibility for us, but most of all it was a year of fun. This year being the last of our "séjour" at Kennedy, has been the most wonderful year in our life, and all this thanks, to you. Even though the pressure was tremendous, it was great fun serving you all.

Yes, being on the Student Council is a lot of work, but how can one help himself not doing it for wonderful people such as you.

You have helped us see through ourselves, and memories we hold of Kennedy shall be treasured in the deepest of our hearts.

These words might be the last you will hear from us but there is one group of words we would like you to remember; "Farewell dear students, we shall remember all of you".

ABOVE: Mr. Pavelko: "If I were a rich man - di da di da dum - I wouldn't be on the ice?" BELOW LEFT: The Toboggan Race! BELOW RIGHT: Mr. Jacob as Bonhomme Carnival.

Writing about the greatest Carnival at JFK isn't an easy job. About 1,500 students formed a parade leading to the coronation of the Royal Family at St. Michel Arena. For the first time the queen, king, prince and princesses were crowned at the arena. Giovanni Palermo and Anne-Marie Poglitsch, last year's king and queen, were there to crown this year's royal couple: Gaetano Marinelli and Marie Moscato.

An ice-hockey game involving the "JFK Correctional Institute Staff" and our own Hockey Team was brought to a tie; with a penalty shot scored on Mr. Normandeau.

A toboggan race with all the homeroom's participation. A broomball game involving the female members of the staff, competing against some of our toughest and roughest female students. But one also has to mention the male students and staff broomball game. The Garbage Bowl which had never been really popular with JFK students attracted this year many spectators. A fair was organized in the east cafeteria; such activities as pie-throwing contests, apple-bobbing and throwing darts at balloons for prizes, were among the most popular. The Carnival Dance wrapped everything up nicely (which was organized by the Social Committee) leaving us enjoyable moments and happy memories.

### HOT OFF THE PRESS!!!

This year's newspaper club led by an excellent moderator (Miss Wukovits) and an exceptionally talented Editor-in-Chief (me!!) ended the year with a great big bang . . . by shooting themselves. Both are reported in satisfactory condition and are expected to recuperate in due time.

The club which started off with a membership of over 50 students diminished to a sizzling total of 15! "15 what?" you ask. I am afraid that still remains a dilemma. However I might add that those 15 were all we really needed for they helped our inexperienced and struggling club become a success - at least, in the eyes of the junior grades who gave us all their support.

The main purpose of the club was to get the student entity to take an active part in the making and the breaking of the newspaper. The latter part was carried through with a great deal of enthusiasm.

In the past year, we went to press only three times (fortunately for many!) However, those three issues provided a great deal of unison for those who really put the paper together. Not only that, it opened our eyes as to what actually made a newspaper operate. I think it was really an enriching experience for those who wholeheartedly participated.

Whether we were appreciated by others is not really important; what does matter is that we put in a lot of effort and since one can only ask for the utmost . . . I represent 15 students and one moderator in saying we were a SUCCESS!

# ENGLISH VARIETY SHOW

A group of 98 students, under the expert direction of Sister Juanita, devoted much time and effort to this year's very successful "English Variety Show". Sister Juanita and Carol Ann Francis worked overtime to integrate all the parts of the show and to create a harmonic whole. Featured were 20 hilarious routines, the more popular being "Edith Ann" and several modern dances. Kennedians were greatly entertained, enjoying one of the rare moments of pure fun "and that's the truth-th-th!"

Who says they couldn't do it? The Modern Language Department was very productive this year, producing two variety shows, both moderated by Mr. Colaninno. The first one presented at Christmas, was entitled "Sogni Di Bambini". Approximately 35 students from the Italian Club were involved and were met with just praise for their efforts.

The second variety show, The Annual Italian Variety Show, was received with even more enthusiasm. A crew member of Channel 9, which was filming most of the show was overheard saying, "This will bring the name of JFK all over Canada." Special thanks to Mr. Colaninno, the fifty-odd students involved in such excellent endeavors.

One of the most sparkling and delightful highlights of the year - the Teachers' Variety Show, under the direction of Sr. Jacquelin McNeil and Mr. Steve Cocking, and involving approximately 50 Staff Members (including Administration) provided entertainment, joy and inspiration, not only to a large segment of the Student body, parents and interested friends but to the participants themselves.

The Show, aptly entitled "Weak Hair" consisted for the most part of a series of musical sketches, tracing the theme of love. Not only did the show display the unlimited talents of our teachers but more noticeable still, it gave tangible proof that our School Motto at J.F.K. "We Care," is truly present in many wonderful people.

One thing we can say about drama at J.F.K. is that this kind of entertainment is rare. The actors were chosen from Miss Gales' eighth grade drama classes. They have stayed VERY often, VERY late after classes to practice to make it a success. Their efforts should be appreciated for making it a great performance. They've succeeded.

BY THE SEA

ANNA GUGLIANDOLO

I was amazed as I walked with determination to see  
Stars glittering brightly in the darkened sky  
The stars were leading me to where I thought I should die  
for I felt I was no longer needed.

My feet felt the wetness as I pursued my destiny  
Of the shore which amazingly had ceased roaring  
Could it all have been a nightmare and I unable to awaken?  
No! This was real! I was alive, alone, free, possessed.

Stars were mystifyingly beautiful mocking my every step  
I had been left alone to seek refuge, "my own way out"  
No one seemed to understand my needing help, comfort, warmth  
But above all the love which had disappeared, here I stood,  
Me, nature and seashells alone.

No! Wait I am aware of another creature  
I thought I felt someone move  
Oh! Yes, I am certain now, it moved again  
The creature it's in me, I share myself with an unknown creature.

I look up I notice unknown quantity of stars  
I was not going to follow them no more  
I shall take their example and let proudly another life  
For an unknown creature is said to be INNOCENT.

"WHAT'S THE USE OF LIVING ANYMORE?"

It's a question I've asked myself today,  
But I'll maybe be answered some other day.  
It's so hard to cope with a world of bastards and nothing more,  
This whole damn scene's becoming a bore.  
If there are people dying helpless on the floor,  
Others'll walk over them and if they can they'll kill'em some more.  
The War, the Peace, the Blood Increase,  
The poor begging for food and forever lying on their knees.  
I hate this world, I hate this life,  
But I guess it's a place where you've gotta strive.  
Man is destroying himself day to day,  
But into dust he shall return and there forever he will lay.

FROM A LIVING SOUL

WHO AM I?

Who am I?  
I wish I could answer you.  
To my parents I am . . .  
I am the lovable child  
Who doesn't disobey them  
I am the doctor . . .  
engineer . . .  
brain surgeon  
I am their future!  
To my uncles  
I am the spoiled kid  
The one that had the answer  
For every question  
The one they are proud of!

To some teachers  
I am the studious person  
The one who always listens  
And does all his work!  
To some other teacher  
I am the loud-mouth . . .  
ignoramous . . .  
bum!  
After all of this  
You still ask me  
Who I am?  
I will tell you  
Who I am  
I am that person  
Who you see with  
His parents, uncles and teachers  
But I am not that person!

There are no rules for friendship.  
It must be left to itself. We cannot force  
it any more than love.

THERESA FERULLO

Here I stand  
Holding hands  
With you  
Because also in unity.  
There is purity.

We have reached a height  
Where we could be right  
But still we are aware  
That you are there.

I can also see  
That beyond the sea  
There is more for me  
And you to meet.

Thus do not forget  
That if we should separate  
That there is a future  
In what we call the new.

ANNA GUGLIANDOLO

DREAM!

I asked his name,  
He did not answer.  
I asked him to open his arms and  
hold me tight,  
But he did not dare move.  
I took two steps in his direction,  
It only seemed I was a few steps  
Farther away from him!  
I tried to make him listen,  
But he would not hear.  
I tried to get his attention  
But he would not see!  
For he was just another image,  
In another dream!!!

We have given up trying to convince you people that the Yearbook is any work.

So here's something that isn't for any of you. To the yearbook members from a yearbook member:

As a member of the yearbook I would like to thank everyone who closely worked with me in the actual production of the book.

Thanks Jim, for helping me so much with the layouts. I really don't know what I would have done without you; and your golden sense of humor which lit up the room so many times. (Spiffy!)

Thanks Mich and Carmie, for all the research and the many articles you wrote. Thanks Carmie for being everyone's "Dear Abby" and treating us at MacDonald's. Thanks Mich for bringing records, cake and possible covers and themes: for just being there. (You never got to bring your organ!)

Thanks Ernie, for enduring all of me bugging you for the money. Thanks for your quiet smiles, and your Friday-afternoon deposits. (Did you go to Molino? Don't blush!)

Thanks Terry for helping Ernie sell books; for being in charge of something nobody else wanted (the discount-booklets, ) Thanks for reminding us that those undergrads weren't just a name and a picture; that those grads without a picture will be disappointed.

Thanks Anna and Tina, for typing all those names and articles. (Anntina, is it a 22 or 44 space-line?)

Thanks Archie, for starting those blood-warming fights and arguments, which often came to remind us that we were people after all. (You do like chalk-brushes!)

Thanks Ralph and Al for taking the pictures of the yearbook, making contacts and for printing so much. (When are we getting those contacts?)

Thanks Rosemary, Louisa, Rosa and Julie and Gugu for putting biographies in order; typing; putting pictures in envelopes etc. (Meeting tonight - Come.)

Thanks Mrs. Pelusa for our constant presence hovering over us. (When's the next deadline?) Sr. McDonnell and Mr. Rossi for keeping track of the money each in your own way. Thanks Mr. Spina, for getting those photo-freaks to work, for scheduling the taking of the pictures; for so much work; thank-you. (Did that guy really shoot a bottle or perfume at you?)

For each time one of us quit and came back; our feeling of community was strengthened. We did come to a sort of "commune".

To all these beautiful people: Thank-you.

Mike

# KENNEDIAN GRAFFITI

THE JOHN F. KENNEDY SCHOOL SONG

Words and music by Moira Mullin Roch  
Arrangement by Renée Esguerra

This year Kennedy was privileged in having a school song - here it is!

SCIRE, AMARE, SERVIRE, this is the emblem of our school,  
To know the secrets of our world, to love, our golden rule,  
To serve in any way we can, is the goal we have in school,  
God help us with our work, to make this world anew,  
Keep our patron's name alive, and show "We Care" is true.

VERSE

John Fitzgerald Kennedy died in sixty-three,  
He had given nearly three years of his life to make men free,  
His words will give us all the help we need to reach our goal,  
'Tis not what your country does for you, but what you can do for your country.

# GRADUATION LITURGY

An unforgettable and beautiful farewell liturgy was held on May 10th at St. Brendan's Parish which was followed by a social gathering in the Church Hall.

This graduation liturgy which involved weeks of preparation by many wonderful and hard working people, had for its theme a significant message to the graduates:

"It's your world, Shape It."

"The Agony of it all!!!" Such would be the motto of the Grad Dance Committee this year, who after a long and terrifying struggle to meet the deadline and to encourage the "darlings" of J.F.K. to attend the Grad Ball finally succeeded to hold this unforgettable event on the 18th of May at Hotel Bonaventure.

Everyone enjoyed the evening with a sumptuous dinner, heart-throbbing music and continuous dancing. In fact some did not want to end the fun - so they went to such places as Altitheque 737 or the Kon Tiki, which they found more exciting and exhilarating! Yes, the nostalgia of it all will remain in everyone's heart forever.

# VALEDICTORIANS

Colleghi carissimi,

Il tempo sta improvvisamente diventando il nostro nemico. Le lunghe ore di studio e di divertimento passate nella nostra scuola tra poco diventeranno memorie del passato. Ci restano appena pochi giorni da trascorrere insieme. Il tempo fugge, e ben presto la classe del 1974 che si diplomerà non ci sarà più.

Questi ultimi quattro anni di scuola sono stati forse gli anni più turbolenti della nostra vita finora. Siamo a poco a poco emersi dalla nostra infanzia e nel processo ben pochi di noi siamo restati illusi, mentre cercavamo incessantemente di affrontare le pretese del mondo degli adulti. In un certo modo noi abbiamo quasi tutti sofferto nel divenire giovani piuttosto maturi ed istruiti, e a volte abbiamo anche dubitato del fine della nostra esistenza. Spesso nello sdegno e delusione, abbiamo tirato calci facendo anche male alle persone che amiamo tanto come i nostri genitori per esempio. Siamo ora arrivati ad un punto decisivo della nostra vita, poiché stiamo per fare un nuovo passo avanti.

Oggi, quindi, deve essere un giorno di riconciliazione e di amore. La spaventosa aspettativa del futuro è ormai alle nostre porte e dobbiamo essere ben preparati per accettare la sfida. Noi che abbiamo avuto l'opportunità di avere un'istruzione che non ha paralleli nel passato, possiamo e dobbiamo rendere di più di quelli che sono venuti prima di noi.

Noi, che siamo nati verso la fine del cinquanta, abbiamo assistito alla guerra del Vietnam, alle brutalità delle lotte razziali ed alla inutilità della guerra. Dobbiamo essere allora, la generazione della speranza decisa a cambiare il mondo in cui viviamo con mezzi pacifici e per il benessere di tutti. A questo punto non posso fare almeno di citare la famosa frase del Presidente John F. Kennedy che disse: "Non chiedere cosa può fare la patria per te, ma cosa tu puoi fare per la patria." Infine desidero rivolgere un saluto particolare ai tutti i miei compagni di scuola che si diplomeranno quest'anno.

Amici, io vi ricorderò sempre, e custodirò con amore e gelosia, le memorie di voi tutti.

GRAZIE

Vanda Catalano

We, the graduating class of John F. Kennedy High School, who are about to embark on a long and challenging voyage upon the sea of life, first phase of our lives, symbolizing not only academic achievement and success, but also, the end of a fundamental period of character development. It brings into focus the end result of the tireless dedicated work and combined efforts of many people, who devoted themselves completely to our intellectual and spiritual preparation for life.

As we look back over the years, our hearts and minds are absorbed by memories of the high school life which gave our intellectual existence its initial pulsation. The unique character and reputation of John F. Kennedy High School, which makes it one of the finest centers of secondary education, can be greatly attributed to two basic standards maintained by its staff and administration, namely, concern for each other, and the pursuit of academic excellence. Realizing the grave importance of your role in both the academic and psychological guidance of the adolescent mind, you, our devoted administrators and teachers, succeeded in creating an ideal atmosphere of care and concern, within which our choice and attainment of academic goals were greatly facilitated, and our individual patterns of behaviour were moulded into those of mature, responsible human beings. Within the social environment of the school, we have learned to adapt our lives to the moral principles and social standards which not only govern the efficient function of our society, but also enrich the quality of our own lives as its worthy citizens. Thus, through your persistent efforts, concern, and determination, you, the honourable members of the staff and administration, working conjointly with you, our dear parents, without whose support, encouragement, and love we would have never seen this memorable day, succeeded in giving us a strong academic and spiritual foundation, upon which we are now able to intelligently build up our lives.

As we are about to cast off on life's challenging voyage into the unknown horizons of the future, we can fully appreciate the priceless value of our education, for it is the steering mechanism which enables us to direct the course of our lives with understanding and judgment. The doors of opportunity have been widely opened to us, and although each one of us may plot a different route to success, we can rest assured that the promise of tomorrow is great for those who journey into it prepared in knowledge and in spirit.

On behalf of the Class of '74, I would like to take this opportunity to express our most profound gratitude to everyone who, in any way, contributed to the realization of this moment, and especially to you our beloved parents and teachers, who put the world at our doorstep. We are graduating into life, we are going our separate ways, but no matter how the winds of destiny scatter us, we shall always remain united in the spirit and memory of an unforgettable experience -- John F. Kennedy High School.

Peter Humenny

# EDITORIAL

Even though I was asked to write a formal editorial; I will just ramble on with a few statements concerning this year's yearbook.

It's 3:50 P.M. on Thursday July 4, 1974. The last pages from the advertising section are about to be sent, and we are expecting a somewhat delayed delivery of our yearbooks in September. Just about the last thing I've got to do is write this editorial.

Some students during the course of the year have asked me if they'd get a good yearbook. And I always answered they should expect one. They probably thought I meant they should expect a good yearbook, but what I actually meant was that they should expect a yearbook.

Actually just producing or creating a yearbook is a feat admirable in itself. This isn't to flatter myself or make the yearbook seem as if it were martyrdom, but it is a task not to be underestimated. Thus the Kennedian population should be proud of HAVING a yearbook even though it isn't the best, the thickest, the most colourful or the most artistic.

As one member of the administration put it " . . . yearbooks are a dying thing . . ." But through yearbooks schools' histories are made. As a souvenir picture-book it can be appreciated by anyone interested in seeing how school-life (or life) is different (or similar) from the past which seems to be so much out of grasp after it has gone by.

Nostalgia is the name of the game - and we are trying to fix it up nicely so that in ten years from now the yearbook will be something real - as it is real, now.

We're changing day to day,  
But tell me, where do the children play?"
